PE

PE will take place first thing on a Monday morning. Please make sure your child has a full kit with their name in each item. This half term the focus is team games.

CLOTHING

The weather will hopefully get warmer over the next few months and the children will be removing their jumpers/cardigans more often. Therefore can we please ask that all clothing is labelled with their name.

SNACK

Many thanks to all parents/carers that contribute to the snack fund each week. This is a 5 week term therefore snack money will be £2.50

MATHS

- Time
- Putting numbers in the correct order
- Counting back
- Addition/separation groups of objects.
- Comparing sizes.

GROW YOUR OWN MONEY

As you will be aware we have an ongoing project about making money grow. Thank you for your support so far. Please look out for information on further activities from both classes.

This half term our topic is.....

People who help us

We will ask the following questions...

- Who helps us?
- How do they help us?
- How do we contact them?
- How can we help people?

The children in both classes have thought of their own questions to answer during this half term.

Please Help!

We would like people to come into school to tell the children about their job. It would be fantastic if we had a visit from a fire fighter, vet, optician, or any other 'person who helps us'.

Please let us know!

LITERACY

Our core book this term is:-

- Emergency, Emergency

Each child will have the chance to take this book home to read and write about.

Reading at Home

We are really impressed with how children are doing with their reading. Please remember to sign their reading record when you hear them read. It's fine for your child to read a couple of pages at a time.
