

**SCHOOL  
UNIFORM  
POLICY**

**MRS JUDITH GIBSON**

**MAY 2014**

**Our policy has been created with value for money, health and safety and practicality at its heart. It has been designed to ensure children wear clothing conducive to a learning environment. It is important that our children feel a sense of belonging and community through a smart and practical uniform. We believe a uniform allows all children, regardless of background, to feel equal to their peers and confident in their appearance. We also believe it is important for activities to be facilitated by specialised and appropriate clothing such as sports activities.**

We rely on the cooperation of parents/carers in supporting school uniform at Low Ash and ask you to ensure that your child wears the correct uniform. Please refer to the list below identifying the uniform, PE uniform and rules regarding jewellery. Please note that garments worn underneath uniform should be unobtrusive (eg a white vest under a white shirt).

We do not discriminate and welcome all pupils regardless of faith or belief.
