

Year 3 Summer Half Term 1 Parents' Leaflet

Mathematics

We will extend our knowledge on measurement including time, capacity, mass and length. We will learn how to measure accurately.
We will measure the distance from Bradford to Athens.

French

We will learn about French schools and the similarities and differences to our school.

Historians

We will learn who the Ancient Greeks were and why they were so important in defining our modern day history.
We will learn the history of the Olympics.

Geography

We will compare our locality with mainland Greece, looking at both human and physical geographical characteristics.

Literacy Work

We will read Greek Myths, find out all the features of a myth and write the ending to one as though we were there.
We will write different types of poetry, including line poetry, and practise using our knowledge of similes.

Religious Education Journeys

Values

Our value this half term is Liberty.

This half term our topic is:
History/Geography:
Has Greece always been in the news?
Science:

We will continue our Forces and Magnets topic then start Light and Shadows.

We will learn about the discovery of magnets in Ancient Greece.
We will discover how shadows are created by the sun, as well as learning about some different sources of light.

Visits /visitor

We will undertake the next step in our School Linking programme.
On Tuesday 2nd May, 3H will host a class of Year Three children from Feversham Academy and 3N will travel to Feversham for a day of fun and activities.
A letter will follow explaining in more detail.

Design Technology

We will design and make an amphora.

Creative Carousel

We will have the chance to learn either music, cooking or photography.
We will either be listening to and appraising different types of music, preparing a Greek mezze or creating a Greek inspired multimedia presentation.

Computing

We are communicators!
We will learn how emails work and understand about "netiquette" and e-safety.
We will experience video conferencing.

How you can help?

To make our amphora we will need lots of newspapers. Please could you save your newspapers and send them into school?
Thank You
