

Year 4 Summer Half Term 2 Parents' / Carers' Leaflet

Maths

- Consolidate understanding of the four operations
- Ensure all 12 times tables are known
- Co-ordinates and plotting shapes

English

Poetry– Haikus based on *Summer*

Explanation texts– A non-fiction unit writing an explanation text on how bees make honey

Grammar— Correctly punctuating direct speech, embedded clauses and fronted adverbials

Religious Education

Special books

We will be looking at stories from different religious books.

This half term our topic is:

The Quest

We will be completing our topic of the Quest this half term. We will then be focussing on our science topic which is: ***All Living Things***

We will be looking at bees and why they are important, the anatomy of a bee and what we can do to help look after bees.

Visits / visitors

Residential trip to Nell Bank to study habitats
19th-21st June

Science

All living things:

Identify and name a variety of living things (plants and animals) in the local and wider environment.

Our Values

This half term we will be focussing on our own values and what we believe is good and right for us.

Computing

We are opinion pollsters—We will be looking at designing a survey and presenting the data.

How you can help / Additional information

Do you know anyone who has any information about the environment?
We would love to hear if you have any ideas to help us!
