

Year 5 Summer Half Term 6 2017 - Parents' Leaflet

The aim of our curriculum is to link much of the work around a theme, which makes learning more exciting and purposeful.

Science

We will be learning about genetics and inheritance linked to the human life cycle.
We will also be visited by the school nurse for our 'growing up' talks (letters to follow).

Music

Will be covered during creative carousel.

English Work

We will be writing explanation texts and reading the book 'Tuesday,' which we will use to write a police report .

Religious Education

We will be learning about special writing in Christianity, Islam and Buddhism and making comparisons.

This half term our topic is:
How powerful is water?
Our Learning Challenges will have a Geography focus linked to rivers and coasts.

ICT /Computing

We be using Flowol to learn about controlling devices including creating graphics using a turtle.

Mathematics

We will deepen our understanding of the four operations (+, x, - and ÷) when problem solving.
We will also be working on gaps , identified from our assessments.

PSHCE

Our 'Value' this term is 'Our own Values.'

Art

This will be covered in the creative carousel.

French

We will be learning the vocabulary for French modes of transport.

How you can Help

Please make sure your child's homework is completed on time. Listen to your child read.
