16th June 2017

Dear Parent/Carer,

Please find below some information and reminders about this half term's exciting topic.

Topic

Our half term topic is entitled - 'How powerful is water?' We will be learning about rivers, oceans, coastal erosion and how water has the power to sustain life and create hydro-electricity. We will be using information gathered on our trip to Whitby to support this.

PE Days

A reminder that our PE days are now on Monday and Thursday. Please ensure your child has their PE kit on these days. As the children are now receiving cricket coaching on Mondays, it is important that they are prepared for outdoor PE with correct outdoor kit, including footwear.

Maths Homework & Spellings

Maths homework and spellings will be given out on Fridays and are to be completed / learned by the following Friday. Please support your children by helping them complete these. Other important key dates ie Sports day will be sent out later.

We are looking forward to a very productive final half term, full of exciting and challenging opportunities.

Yours sincerely,

Mr Ebbage & Mrs Woollin
Year 5 Class Teachers

Head Teacher: Mr T. Woollin
