

Year 6 Parent/ Carer Newsletter - Autumn Half Term 2

The aim of our new curriculum is to link much of the work around a theme, which makes learning more exciting and purposeful.

Science

Our Science focus will be on the circulatory system looking in detail at the heart, blood vessels and how these are affected by diet, exercise and drugs.

French

We will continue to be looking at the vocabulary linked to holding a conversation when visiting different shops around town.

English Work

The children will be learning to write stories with flashbacks at the start of the half term and will then move on to work based on the book 'Rose Blanche' by Ian McEwan.

Religious Education

We will continue to focus on why there are different beliefs about God.

This half term our topic is:
Why was World War II a significant turning point in British history?

Computing

We will learn about how the world wide web functions and how websites and web pages are structured and designed.

Mathematics

In sets, we will concentrate on fractions, decimals, percentages and shape, data and measures. We will also ensure that children's recall of x and ÷ facts continues to improve.

Our Values -Tolerance

The children will be exploring how tolerance is important within society. We will be celebrating the similarities and differences in our school.

Creative Carousel

D.T. - Air raid shelters
Art - Propaganda posters
Textiles - Make do and mend

Learning Challenge

We will continue to study World War II but this time from other perspectives.

PE

Indoor athletics & basketball
