

Year 6 Parent/ Carer Newsletter - Summer Half Term 2

Maths

We will have a clear enterprise focus, looking at real life maths problems and how to manage and calculate budget/ finance.

English

We will be exploring Shakespeare in readiness for our Shakespeare Rocks show. We will also be writing our own letters and creating advertisements as part of our work on the production.

Religious Education

This term the focus will continue to look at the concept of God and why people have the right to beliefs.

This half-term's Learning Challenge :

Theatre

The children will use a variety of skills to put together the end of year production **Shakespeare Rocks**. This will involve designing and creating props, learning about profit and loss including running a café and selling memorabilia.

Visits / visitors
(see other side of letter for dates)

Junior Safemark
Transition Days
Peat Rigg Residential
Titus Salt Olympics
University of Bradford
St Cuthbert's

Forensic Science Week

We will be exploring the use of science to solve problems including: collecting information in different ways, recording measurements and observations systematically and using our scientific knowledge to deduce and explain our findings.

Our Values

The focus this half term is :
My Values
The children will be focusing on preparing for transition.

Computing

We will continue to look at preparing spreadsheets linked with budget planning for the theatre enterprise work.

How you can help

Help children to prepare for the school production by learning lines and songs.

PE

We will be focusing on track and field events in preparation for the sports day as well as tennis.

French

We will develop French holiday conversation.
