

Filming with 'Made in Leeds'

On Wednesday, 8th February, Year 6 were interviewed for a TV programme!

'Made in Leeds' wanted to talk to the children about their work with E. Rachael Harcastle and to ask them about the books that we have published together. The programme is due to be broadcast at 6.30pm on Monday, 13th February.

The children in Year 6 have very much enjoyed creating their books and we would like to thank E. Rachael Harcastle (an ex-pupil) for all her hard work with our school.
