

Year 4 Summer Half Term 1 Parents' Leaflet

Mathematics

We will be using our calculation skills to work out money problems, comparing and recognising obtuse and acute angles, recognising equivalent fractions and solving problems with time and area and perimeter.

DT/ Art

We will be continuing with our creative carousel. Children will be taking part in cooking, drama, music, photography, clay making or woodwork.

Literacy Work

We are looking at a book called 'Quest'. We will be writing setting descriptions, writing our own ending for this story, writing our own chapter and even writing a diary entry.

French

Sport

Religious Education

Creation and Environment: We will be talking about looking after our environment.

This half term our topic is: The Quest

Geography—

Plotting symbols on a map, planning a journey, looking at and comparing cities and villages, reading and using a compass.

Visits/ visitors

We will be going to Nell Bank next half term, so this half term we will be preparing for this.

Science

All living things

We will be looking at the environment and the living things which are in it.

Our Values

Our value this half term is Liberty.

How you can help?

You can help by practising times tables and reading regularly with your child/children.

Music

We will continue with our class trumpet lessons.

Computing

We are communicators

We will write an email to another class and learn how emails work. We will find out how to use emails safely and create a presentation and email it to our partner.
