

**Further ways in which learning can
take place at home**

**Please could you donate any
plants, seeds etc to help our topic.**

**Cut out pictures of plants from
magazines, seed catalogues etc**

**As you are walking to and from
school, talk about the plants you
can see, their names and where
they are growing.**

Learning at home

Summer Term 1

Year 1

Reminder

Please can you ensure that your child has a full P.E kit in school . P.E. days are Tuesdays and Wednesdays.

Send your child with their homework books on a Wednesday.

Also please make sure that your child has

During this term, we will be finding out what a plant is, how they grow and how important plants are to us. We will also be using maps to find Wrose and learning about famous people from Bradford.

R.E.

How does what believers do show what they believe?

What Grows In Wrose?

This half term we will try to answer the following questions in our main topic...

- Week 1. Introduction to our topic.
- Week 2. What is a plant?
- Week 3. What do our seeds need to grow?
- Week 4. Who's afraid of the big bad scarecrow?
- Week 5. Where is Wrose and can we read a map?

MATHS

We will be recapping the following...

- Place value
- addition, subtraction and multiplication.

We will be learning...

- using and applying through worded problems
- Making sure we have a good understanding of the four operations

COMPUTING Coding

English

Core book Tattybogle

Our English is linked heavily to our topic this term.

We will be:

- Using stories to improve our reading skills.
- Using stories to improve our skills in writing.
- Using stories to generate ideas to write our own stories

Your child will continue reading to an adult twice a week in Guided Reading.

Please listen to your child read at home as often as possible and comment in their reading record book.
