20th April 2018

Dear Parent/Carer,

Please find below some information and reminders about this term's exciting topic and our trip to Robin Hood's Bay.

Topic

Our half term topic is entitled - 'How powerful is water?' We will be learning about rivers, oceans, coastal erosion and how water has the power to sustain life and create hydro-electricity.

Year 5 Trip

To consolidate the children's learning we will be taking the children on a residential visit to Robin Hood's Bay in North Yorkshire. The trip will inspire the children to develop a deeper understanding and knowledge of this term's topic. Details of kit and medical requirements will be sent to you shortly.

PE Days

A reminder that our PE days are now on Monday and Wednesday. Please ensure your child has their PE kit on these days

Maths Homework & Spellings

Maths homework and spellings will be given out on Fridays and are to be completed / learned by the following Friday. Please support your children by helping them complete these.

We are looking forward to a productive half term full of exciting and challenging opportunities.

Yours sincerely,

Mr Ebbage & Mrs Woollin
Year 5 Class Teachers

Head Teacher: Mr T. Woollin
