Sports News

Well done to our various sports teams, continue to dominate many local competitions we

who the enter.

The **Under 9s Cricket Team** won the Bradford schools competition and will now compete for the 'Drax Cup' against other schools from across the whole of Yorkshire at Headingley – we wish them well.

Under 9s Cricket Team

The **Under 11s Netball Team** won their netball league at Hanson in style by not losing a single game throughout the competition.

Under 11s Netball Team

The **Under 11s Girls Football Team** performed to a very high standard over several games. They didn't concede a single goal throughout, won every game and the competition!

Congratulations also to the **Under 9s Boys Football Team** who were runners up in their

Under 11s Girls Football Team

Bradford schools competition.

Minibus Appeal

Thank you for your support so far in helping to raise money to buy a school minibus.

The Evening of Clairvoyance was a huge success and raised around £750. We have also had a raffle and many donations made through ParentPay. **The total raised so far is £1,067**

This Friday (25th May) there will be a **Non-Uniform Day** where children can wear sports clothing to help raise more funds (minimum 'fine' £1). Following this, the next event for adults will be a **Quiz Night at the Hepworth and Idle Cricket Club** (Idle end of Westfield Lane) on Friday 22nd June.

Also, on Friday 6th July during Healthy Schools Week, we will be holding our **Sponsored 'Fun Run'**. Hopefully, we will be well on our way to our target of £6,000. The aim is to have enough to buy the minibus by around October.

Healthy Schools Week/Sports Days

We will be

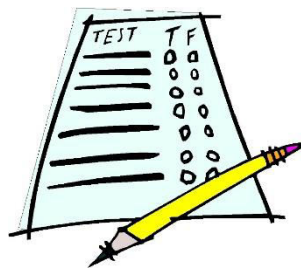

Please be considerate when parking on roads near school. I have had numerous complaints from residents on this matter. In some cases, even driveways are being blocked. I received this picture from a local Councillor who had also received a complaint from the resident.

holding a **'Healthy Schools Week' starting Monday 2nd July**. Miss Broadbent, our PE Leader, has organised different people to come into school to get the children involved in different sports they haven't tried before. In addition to this, we are hoping to get a local chef to visit school and inspire the children to cook and try different healthy food options. We also thought it would be a good idea to hold the annual sports days (Years 1 to 6) that week too, so look out for when your child's event is that week. Hopefully, the sun will be shining!

Year 6 Tests

Last week Year 6 children took their end of primary school tests (SATs). The tests are very challenging and demand a great deal from our children, not just academically but emotionally too.

Each day the children were determined to do their very best. The focus and conviction they showed throughout the week just demonstrated what wonderful young people they are all becoming as they prepare for their time at secondary school. I couldn't be any prouder of them. Every single child should be very proud of their efforts too.

Data Protection Law

The General Data Protection Regulation (GDPR) becomes Law on the 25th May. Recently, you should have received information regarding the information we store, process and pass on. As part of the new Law we need you to fill in and sign a new consent form. Please do this as soon as you can as we need a clear indication from you regarding your consent for various aspects of school life.

Parking Reminder

Warm Weather Warning for Sunny Days

A reminder for parents and carers - **please ensure your child is protected against the sun throughout the summer term.**

Sun cream can be applied before school or at school by your child. Various sun hats are available to buy from the School Office too.
