### **Year 3 Parent/Carer Newsletter – Summer 2**

Dear Parent/Carer,

We hope you have had a lovely Spring break and are ready for our last six weeks of term. This final term is an exciting one as we prepare the children for Year Four but equally it is sad as we have become very attached to our children and will miss them enormously. We are extremely proud of the hard work and effort they have applied to all their learning and have enjoyed seeing them mature over the year.

Our last term's science topic is **Light and Shadow**. We will hope for lots of sunny days so we can see shadows in the playground! We will also spend time concluding our **Ancient Greek** topic. We will end this year's learning with a Greek Day! The children will come to school as Greek children (save any old pillowcases!) and take part in Greek activities! We will also make Greek amphoras out of papier mache. Please save any old newspapers and send them into school.

Unfortunately, we still have lots of children who are forgetting their P.E. kits. Please remember that P.E. is always on Tuesday and Friday and all children need their full outdoor PE kit and trainers for both sessions.

During this last half term we will also take part in our final school linking. 3N are very much looking forward to visiting Feversham Primary Academy, especially after listening to the fun 3H had when they went. 3H are extremely excited to be hosting Feversham.

Let's hope that this last term also brings the sun! Please ensure your child has sun lotion applied before school and they bring a named sun hat.

School attendance is very important to every child and their learning. Let's make sure Year Three win the overall attendance money for this last term!

Thank you for your continued support,

Mrs Nellist, Miss Hansen and the Year 3 team.
