

Year 5 Summer Half Term 6 2018- Parents' Leaflet

The aim of our curriculum is to link much of the work around a theme, which makes learning more exciting and purposeful.

Geography

To learn about rivers, seas and mountains. Look in detail at how a coastline is formed and why coasts erode. Map work and other geographical skills were covered on our residential visit to Boggle Hole YHA.

Music

Will be covered during creative carousel.

English Work

We will be writing explanation texts and reading the book 'Tuesday,' which we will use to write a police report .

Religious Education

Why do people need to express their beliefs?

This half term our topic is:
How powerful is water?
Our Learning Challenges will have a Geography focus linked to rivers and coasts.

ICT /Computing

We be using Flowol to learn about controlling devices including creating graphics using a turtle.

Mathematics

We will deepen our understanding of the four operations (+, x, - and ÷) when problem solving. We will also be working on gaps , identified from our assessments in preparation for Year 6.

PSHCE

Our 'Value' this term is 'Our own Values.'

Art

Will be covered in the creative carousel

French

We will be learning the vocabulary for French modes of transport.

How you can Help

Please make sure your child's homework is completed on time. Listen to your child read.
