15th June 2018

Dear Parent/Carer,

Please find below some information and reminders about this half term's exciting topic.

Topic

Our half term topic is entitled - 'How powerful is water?' We will be learning about rivers, oceans, coastal erosion and how water has the power to sustain life and create hydro-electricity. We will be using information gathered on our trip to Robin Hood's Bay to support this.

PE Days

A reminder that our PE days are now on Monday and Wednesday. Please ensure your child has their PE kit on these days. As the children are now receiving cricket coaching on Mondays, it is important that they are prepared for outdoor PE with correct outdoor kit, including footwear.

Important date to note: Year 5 and 6 sports day to be held on the afternoon of Thursday 5th July (times and further information to follow shortly).

Maths Homework & Spellings

Maths homework and spellings will be given out on Fridays and are to be completed / learned by the following Friday. Please support your children by helping them complete these.
Other important key dates ie Sports day will be sent out later.

Robin Hood's Bay

Following our very enjoyable trip to Boggle Hole YHA, which was enjoyed by all children and staff, we would like to take this opportunity to say thank you for your support in making it such a success.

Yours sincerely,

Mr Ebbage & Mrs Woollin
Year 5 Class Teachers

Head Teacher: Mr T. Woollin
