

Year 3 Autumn Half Term 2 Parents' /Carers' Leaflet

The aim of our new curriculum is to link much of the work around a theme, which makes learning more exciting and purposeful.

Science

In our science topic we will investigate forces and magnets. We will undertake lots of experiments ensuring we make our test a "fair" test!

Music

In music we will explore rhythmic patterns.

English Work

This half term, alongside the grammar part of our English work, we will look at settings and character descriptions using Miss Hansen's favourite book, The Faraway Tree. We will take a walk in the local woods to help with our descriptive writing.

French

We will learn to read simple greetings and know the days of the week in French.

WOW!

We will visit Cliffe Castle and take part in a Stone Age workshop. There will also be time to explore the rest of the museum.

Design Technologists/artists

We will continue with a variety of craft activities including printing.

This half term our topic is: **Who first lived in Britain?**

Our topic continues to focus on the Stone Age and how life changed for early man.

PSHCE

We will celebrate similarities and differences of other cultures.
Our value—tolerance

Mathematics

We will continue to work on formal written methods, focusing on multiplication and division. We will look at repeating patterns, symmetry and shape

Computing

We will be "bug fixers!" and learn how to fix programmes.
We will communicate with our new friends at Feversham by email.

Please, Please.....

Continue listening to your child read daily and help them with their spellings. Take every opportunity to ask them mathematical questions!

Art

In Creative Carousel, the children will work on drawing techniques and try some Stone Age cave paintings.
