1st March 2019

Year 2 – Spring 2

Dear Parents/Carers,

It was lovely to welcome back the children this week after a very well deserved half term break. We do hope that they enjoyed their week off and have recharged their batteries for a very full and exciting half term.

It is hard to believe that we are now into the second half of the academic year. This term is a very important one for Year 2 as we approach important assessment dates and cover vital areas of the curriculum in both English and Maths. **We therefore ask that your child's attendance is as good as it possibly can be as every day in school really will make a difference.**

Our curriculum in Year 2 continues to be creative and exciting. In Learning Challenge we will move on from Florence Nightingale and Mary Seacole to another 'brave person' being Neil Armstrong. We will learn all about his life and why he is famous within history. We will watch footage of the moon landing and explore why it was such a vital moment. In Creative Carousel we will focus on music this half term. We will be breaking skills down into three key areas – performing, appraising and composing. We hope that the children come home and tell you all about the fun and engaging activities they have been doing.

We will be developing the roles of our 6 prefects in Year 2 this term and they will stay in role until Easter. We are very much encouraging your children to be as organised, independent and pro-active as possible. We want every child to be proud of their own achievements and the work done by the prefects really enhances these opportunities.

Finally, parents consultation's take place on both the 13th and 14th March. We do hope that you have made an appointment to share in your child's successes and talk about their next steps in learning. You will be able to look at the work they have done and ask any questions that you may have. If you haven't yet made an appointment there is still time.

As always thank you for your continued support.

Yours sincerely,

Louise Robinson and Darren Brook

Headteacher
Mr T Woollin
