Year 6 Parent/Carer Newsletter – Summer 2

Dear Parent/Carer,

Welcome back! We hope that you and your family enjoyed the half-term break. Below, and on the reverse of this newsletter, you will find some useful information about your child's final half-term at Low Ash.

Firstly, a huge thank you for the support you have given your child in the build up to and during SATs week. The children really tried their very best and that is all we could have asked of them. As mentioned before, the SATs results will be sent home along with the end of year report in July.

Learning Challenge

Our Learning Challenge this half term is 'Theatre'. The children will use a variety of skills to put together the end of year production **Let Loose!** This will involve designing and creating props as well as learning about profit and loss, including running a café. We will also be holding our annual Y6 garden party for which the children will be using their art and craft skills to make merchandise to sell.

Homework Challenge

This is the last one of the year and will be based on challenges linked to our end of term production and the garden party. As usual, there will be prizes awarded to the top three children in each class. Also, a prize will be awarded to the child who has been judged as the overall winner for all challenges throughout the year.

Transition

Over the next few weeks, children will continue with preparing for their new school. Teachers from the children's schools will continue to visit Low Ash as they have done the previous half-term.
