### **Autumn 2 – Year 2**

Dear Parent/Carer,

We do hope that you and your family have had a lovely half term and the break has given you the chance to hear all about the exciting things that your child has been experiencing in Year 2. Parent and Carer consultations will take place next week giving you the chance to speak to the class teacher in more detail. **If you haven't signed up please do so as there are now limited spaces available.**

As the cold weather draws in and the days become shorter our learning opportunities in Key Stage One continue to provide children with the opportunity to question, explore and explain. Our recent Learning Challenge afternoon was very successful. Thank you to all who found the time to attend. A lot of fun was had answering quiz questions and designing new London. Hearing the vocabulary that the children used to explain their learning was evidence of the impact our creative approach to learning has had. As the focus this half term is on developing children's drama and performance skills through our nativity, our next open session will be after Christmas.

This half term we will begin rehearsals for our Christmas Nativity. Being the oldest children in Key Stage One means that Year 2 children will be given the responsibility of acting, playing instruments or narrating. The Nativity is a fantastic opportunity for your child to grow in confidence as they speak and perform in front of others. Any help you can give them at home with regards to learning their lines would be very much appreciated. Details of how to obtain tickets to the Nativity will be sent out soon.

We continue to explore important days in British history and this half term our focus will be on 'The Sinking of the Titanic'. Our history based topic will lend itself to ordering events on a timeline, exploring social Britain in 1912 and then thinking about the important changes that have occurred because of this national disaster. Your child will also be learning the names of the 5 oceans and 7 continents of the world and where they are located so don't be surprised if they come home reciting facts about Asia, Europe, North America, South America, Africa, Antarctica and Australasia.

On Tuesday 19<sup>th</sup> November Year 2 will be visiting Wrose library to share and enjoy a range of books. Please ask your child lots of questions to find out what they did.

As Christmas approaches your child will enjoy visiting Wrose Chapel. This is an annual event and one in which the children benefit greatly. The Christmas story will be brought to life through carols, stories and crafts. We will also enjoy sharing a Christmas party towards the end of the term.

Thank you again for your continued support, as always our doors are always open if you have any queries or questions. We look forward to a fun-filled and festive half term.

Yours sincerely,

Louise Robinson and Claire Robinson

**Co-Headteachers**  
**Mrs B. Medhurst and Mrs F. Meer**

*Our school is committed to safeguarding and promoting the wellbeing of all children and expects staff and volunteers to share this commitment.*
