

Year 6 Parent/ Carer Newsletter - Autumn Half Term 2

The aim of our new curriculum is to link much of the work around a theme, which makes learning more exciting and purposeful.

Science

Our Science focus will be on Electricity, including making electrical circuits.

French

We will continue to be looking at the vocabulary linked to holding a conversation when visiting different shops around town.

English Work

The children's work will be based on the book 'Rose Blanche' by Ian McEwan, writing letters linked to our WWII studies and performing rap battles based on the poetry of Michael Rosen.

Religious Education

We will continue to focus on why there are different beliefs about God.

This half term our topic continues:
Why was World War II a significant turning point in British history?

Computing

We will be learning all about staying safe on the internet. We will look at music production and take part in a local authority competition 'Bradford's Got Cyber Talent'

Mathematics

In sets, we will concentrate on fractions, decimals, percentages and shape, data and measures. We will also ensure that children's recall of \times and \div facts continues to improve.

Our Values -Tolerance

The children will be exploring how tolerance is important within society. We will be celebrating the similarities and differences in our school.

Learning Challenge

We will continue to study World War II but this time from other perspectives. Also we will look at the social changes and migration which occurred as a result of WWII, as well as the changing political boundaries.

Creative Carousel

Art—ICT art
Cooking—Dig for victory
WWII
Textiles - Make do and mend

PE

Indoor athletics & basketball
