

## Year 5 Spring Half Term 4 - Parents'/Carers' Leaflet

The aim of our curriculum is to link much of the work around a theme, which makes learning more exciting and purposeful.

### Science

This half term we will be continuing our focus on 'The Earth, Sun & Moon'. We are also looking forward to providing further opportunities for learning by hosting our first ever Space Camp overnight event at school.

### Art/Music/DT

### Mathematics

We will be continuing our work on fractions decimals and percentages this half term. As with every half term, we will continue to revisit and consolidate previous areas of learning as part of our 'It's nothing new' and 'counting' activities.

### Values

Our whole school value this term is democracy.

### PE

Our sessions will focus on cricket and tennis skills.

### French

We will be learning about food in order to set up a French café.

### ICT

This half term, we will be learning about how computer games are designed. We will design and develop our own app based game and create this online.

### How you can help?

We have made several changes to homework so far this year, in order to reduce student workload at home. Please support your child in completing the following homework tasks; MyMaths, Homework Challenge & Spelling
