Year 6 Parent/Carer Newsletter – Spring 2 2020

Dear Parent/Carer,

Welcome back! We hope that you and your family enjoyed the half-term break. Below, and on the reverse of this newsletter, you will find some useful information about the new half-term.

Homework

Well done to all of the children who are now in the regular routine of completing their weekly SATs revision tasks. Please could your child continue to complete the weekly tasks from their SATs revision guides as well as the MyMaths online homework and spellings practice.

Thank you to all the children for completing the Book Wars Challenge from last half-term. Thank you for your support with this as the standard continues to be exceptionally high with some wonderful creativity and hard work. As mentioned before, there will not be an English Homework Challenge between now and the SATs tests.

Attendance

Well done to all those children who attained 100% attendance last half-term. It is extremely important in Year 6 that all children's good attendance is maintained, as time is valuable in preparation for the May SATs. Similarly, work is often completed first thing in a morning so children must arrive at school for 8:45 am and come straight into class.
