3rd April 2020

Dear Class RSR,

We hope you that are all ok and have settled into your new routine. We are missing you a lot! We have been going into school and it is very quiet without you all. It is very strange but we hope that you are enjoying extra time with your family.

We are sure that you have been doing lots of fun activities. Have you been doing the Joe Wicks daily PE session or Cosmic Yoga on You Tube? If you haven't, you should try them. They are great fun! They really wake you up in a morning and make you feel ready for the day ahead.

We have set our first activity on Purple Mash for you to do. This week's task is to look for and write about the signs of spring. It is lovely to see the flowers starting to bloom and waking up to the birds singing in a morning. Have you noticed how light it is when you go to bed now? We will set a task each week. We will check it every day and will always write a message to you and give you a stamp. We are going to start putting some pieces of work on the display board so that we can all celebrate the work that our friends have done. Make sure that you have a look! You should all have login details by now, but if you need help just get in touch with school and they will get a message to us, so we can contact you to give you some help.

Home-schooling is very different to learning in school so please don't feel you have to do lots of 'work' every day. We sent you a pack home and a list of activities to keep you busy but I am sure you have thought of lots more exciting things to do. Here are some of the things you could do to help your grown-ups at home - make your own bed in a morning, keep your bedroom tidy, help make lunch, help put the shopping away and sort the washing.

Remember that next week is the beginning of the Easter holidays and a time when you should enjoy relaxing with your family. Please spend lots of time playing games, going for a daily walk and watching fantastic films.

We want you to continue to have fun, try new things and make lots of memories. Stay safe!

See you all soon

Mrs Rendell and Mrs Göksu

What has Mrs Rendell been up to?

Hello everybody, I am missing you a lot!

I have been thinking about you all and wondering what you have all been doing. I hope you are all being good boys and girls at home. I have loved spending time with my family and doing things we don't always have time to do. We have welcomed a new puppy into our family. He is a yellow Labrador. We have called him Odin. He is very cute and so far, he has been a very good boy. He has already learnt how to sit. My children, Ella and Luke are having lots of fun at home with him. They are learning how to look after him. Odin loves to play in the garden and play with all his toys.

His favourite toy is an empty pop bottle! He makes lots of noise when he plays with this! Odin loves to sleep; he spends a lot of time sleeping. He loves to snuggle up with us on the sofa.

We have enjoyed playing in the garden. Luke has learnt to ride his bike. We are all so proud of him. Ella loves crafting activities. She has been very busy making lots of wonderful pictures. She helped Luke make a marble run. That was lots of fun! We have baked a cake, played family games and read some books.

We celebrated Luke's 5th Birthday at the weekend. It was very strange not having all our family at our house. Instead, all of Luke's Grandparents, Aunties, Uncles and Cousins used the app 'House Party' to sing happy birthday to Luke as he blew the candles out on his cake.

Take care everyone. I hope to see you all soon. I can't wait to hear about all the wonderful things you have been doing at home with your family.

Have fun and stay safe 😊

What has Mrs Göksu been up to?

Hello everyone, I am missing you a lot!

I have been thinking about you all every day and wondering what you have all been getting up to. I have loved spending time with my family. Aleksander has been keeping me very busy and loves playing outside, so we have spent lots of time in the garden and going for a walk to stretch our legs.

I have been spring-cleaning the house. You would be so surprised at what I have found; for example I found some mouthwash under the bed, building blocks in the washing machine and a pair of shoes in the bin! Can you believe that? Now, I didn't put them there but I'm sure you can work out who did. 😊

We have been singing, dancing, reading books and watching movies to relax. Our favourite movie at the moment is Toy Story 4. It is a lovely, feel-good movie and makes us all smile and laugh (I even cried a little at the end when Woody says goodbye to his friends).

I hope you have all been keeping yourselves busy and maybe learning something new every day.

Take care everyone and I can't wait to see you all again and hear about all the wonderful things you have been up to.

Stay safe, stay positive and keep smiling 😊
