21st April 2020

Dear Class RWG,

We hope that you are all ok and had a lovely Easter with your family. We hope that you are all enjoying the lovely sunshine too. We think about you all every day and we can't wait to hear about all the things that you have been doing at home. We hope that you are now settled into your new routine.

Purple Mash is up and running. We have set three activities on Purple Mash for you to do so far. The current activity is to write a postcard. We have read a few already and it is so great to read about all the lovely things you have been doing at home. We check it all the time and it always puts a smile on our faces when we look at all your fantastic work. Thank you for the postcards we have received so far. We are really looking forward to reading the rest. We will continue to set a task each week. The next task will be set on Monday 27<sup>th</sup> April which gives you a bit of time to write your postcard. We will continue to check Purple Mash and will always write a message to you and give you a stamp. If you are having any trouble logging onto Purple Mash, just get in touch with school and they will get a message to us, so we can contact you to give you some help.

This half term we are learning all about growing. Our core book is Jack and the Beanstalk. We also read The Enormous Turnip and The Little Red Hen. These are all available to watch on YouTube.

Here are some activities you can do.

Can you retell the story of Jack and the Beanstalk to your family?

Which is your favourite part and why?

Would you have climbed the beanstalk?

Can you think of your own ending? What would you like to find at the top on the beanstalk? We would like to find a magical rainforest with lots of weird and wonderful animals that can talk!

Can you plant a sunflower seed or a bean and watch it grow? Can you measure how tall it is?

There is a timetable on a separate document with a variety of fun activities that you can do at home if you would like. These include a phonics, maths and topic-themed activity. Do as much or as little as you like, colour in each task as you go and see if you can make a rainbow by the end of the week!

There are also lots of lovely stories you can read along with on Book Trust as well as a variety of activities that you can do too! <https://www.booktrust.org.uk/books-and-reading/have-some-fun/>

Please remember, home schooling is very different to learning in school so please don't feel you have to do lots of 'work' every day. We hope you are all being really helpful boys and girls at home, making your own beds in a morning, keeping your bedroom tidy and helping to make lunch.

We want you to continue to have fun, try new things and make lots of memories. One way to record your memories is to make a time capsule. You can download a free Covid-19 Time Capsule work book online - just type it into Google. You can keep a record all about yourself, how you feel, what you are doing and any special occasions you have had during Lockdown etc. This is something you can look back on when you're older to remember your time at home.

Stay safe!

See you all soon

Miss Gray and Mrs Göksu

### What has Miss Gray been up to?

I'm missing you all and hope you have been enjoying the lovely weather like I have!

Apart from going into work, I have been enjoying some family time at home. I've never really been a very good cook but I've been trying to do a bit of baking with my daughter. It's quite embarrassing to admit she actually seems a lot better at it than me!

We've have had two birthdays in the household. Sadly, we had to cancel parties and treats but we had lots of Facetime phone calls and the postman still delivered cards, so it wasn't too bad. My daughter got a trampoline for her birthday, which has come in very handy being at home. I think you would laugh at me on it though, as I'm not a very good bouncer...(yet!)

I've watched a few good films on TV in the evening. I've seen Ratatouille three times now. As a treat we downloaded Trolls World Tour, which is probably my new favourite film!

Take care and be good. I look forward to seeing you all soon,  
From Miss Gray ☺

### What has Mrs Göksu been up to?

Hello everyone, I hope you are all well!

I am looking forward to seeing you all and I can't wait to hear all about what you have been getting up to.

My days have been starting very early, as my little boy, Aleksander, has been waking up at 5am! This means we can fit lots of exciting activities into our day. We have been singing, dancing, playing and even doing some chalk drawings outside. Aleksander thought that it would be a good idea to eat the chalk! I don't think it was very tasty as he pulled a funny face (which made me giggle a little).

I have been enjoying the lovely weather and going on a daily walk with my family. Aleksander has just started running and at the moment loves running downhill. Sometimes I can't keep up with him. He is very fast even though he has very short legs! I bet you all can run really fast too!

Take care and stay safe.
