21st April 2020

Hello Children and Parents/Carers,

We hope that you had an egg-citing and egg-joyable Easter. We also hope that you did lots of eggs-ercise after eating an egg-streme amount of eggs! Any leftover chocolate eggs can be donated to Miss Briggs and Mrs Nellist! We have been busy sourcing lots more activities and lessons for you to do at home. Below is a list of activities and links to websites. Don't forget to keep checking Purple Mash for new weekly tasks. We have been impressed with the amount of work you have been doing and we love seeing photographs of your work.

- <https://www.bbc.co.uk/bitesize/dailylessons> **BBC Bitesize Daily programmes** will be available on any TV via the Red Button and online on any device on BBC iPlayer with teachers, experts and famous faces covering what each age group should be learning that day. **Bitesize Daily Lessons** - On this site you will find fun lessons to complement learning. Each lesson has a lesson plan for adults and details what the learning outcome is. There are fun videos, songs and stories to engage the children.
- In our geography lessons we have investigated the four countries that make up the United Kingdom. At home, have a virtual tour of two famous landmarks of London - The Tower of London <https://www.youvisit.com/tour/meadk> - Buckingham Palace <https://www.royal.uk/virtual-tours-buckingham-palace>.
- Imagine you are a tour operator and want to "sell" the United Kingdom to tourists. Choose one (or more) of the countries that make up the United Kingdom and design and make a leaflet about the country.
- Our school has lent a local nursing home some safety goggles for the staff to use and to stay safe. The nursing staff mentioned that the residents are getting very bored because a lot of their activities and entertainment has been cancelled. They asked if we would write the residents a letter, or story or draw a picture. Miss Briggs will take them to the Nursing home. Please drop all completed cards etc into the school office. The closing date for this will be Friday 1st May.
- <https://theweekjunior.co.uk/activity-hub> - Your child will likely be familiar with 'The Week Junior' as Low Ash subscribe to it and get weekly magazines that we use across school for different purposes. Currently, they are offering a **free activity hub** which does not require you to sign up or register for. On this hub there are some enjoyable ideas for crafting, cooking, designing and making. Hopefully, this will update weekly with new ideas and activities to be done.
- Please feel happy to drop any work into school for us to see and share.

Children, you need to say a big "THANK YOU" to your parents and carers for all the time and effort they are putting in to help you learn whilst we are not at school.

Parents/Carers - please enjoy this special time with your child. Carry on spending quality time with them and doing fun activities e.g. baking, gardening, tidying up, washing up, playing games and playing with their toys and games. Please do not feel guilty for what you are **not** doing. You are doing a fantastic job in unprecedented circumstances.

Keep safe

Miss Briggs and Mrs Nellist
