3rd April 2020

Dear Year 5,

We hope that you are all ok and have settled into your new way of learning. We've no doubt it all feels a bit strange compared to our usually fully packed timetable! We are certainly missing our usual routine of: assembly, reading, maths, spelling and English. We especially miss story time and reading the class book. It doesn't feel quite the same reading on our own!

It's been so lovely to see so many of you completing your tasks on Purple Mash and we've tried our best to reply to all of these individually. We hope that you've noticed our Year 5 celebration wall where we are adding the pieces of work that have especially impressed us. You may also have seen that in: Sharing –class blogs – Year 5 Blog, we have started some blogs for you to keep in contact with us so you can keep talking to us even in these unusual times. We'd love you all to use this feature to keep us updated with everything you've been up to.

Although it is really important that you do some Maths and English work every day, plus any Science, History and Geography that has been set, it is important to remember that next week is the beginning of the Easter holidays and a time when you should enjoy relaxing with your family. Please spend lots of time playing games, going for a daily walk and watching fantastic films. Mrs Carr recently watched the new 'Lady and the Tramp' which she would highly recommend. We've also tried to keep fit by getting back into running so hopefully we will be super fast when things go back to normal. If you can't get out and run, Joe Wicks' daily workouts on YouTube have certainly kept us fit at school!

Enjoy all the signs of spring that are beginning to bloom in the world around us, the lighter evenings, the birds singing and the colourful flowers that are shooting up. It certainly makes us a little bit more grateful for everything we have.

We will write to you all again soon and would love it if you could write a letter back to us telling us all about your Easter holidays. You could either post this on your class blog on Purple Mash or if you can't get online, you can post it to school.

See you all soon,

Mrs Carr and Mr Handley

Co-Headteachers
