21st April 2020

Dear Year 5,

We hope that you have had a lovely Easter break, especially given the current circumstances and managed to spend some quality time together with your family.

Now that the holidays are over, we will be back to our usual home learning routine for the foreseeable future. Here is a quick reminder of the activities that we will continue to set:

Maths

- Weekly MyMaths
- TT Rockstars
- Pack work (We are now onto week 3 of pack work)

If you need any extra maths resources we have listed below some online lessons released by the BBC and where to find additional arithmetic tests on the school website. Please note: these are not a requirement but may be helpful if you have finished your arithmetic pack and would like some further learning.

Extra Maths Learning resources

- <https://lowash.bradford.sch.uk/year-five/> Here we have added 'Home Further Arithmetic' papers.
- <https://www.bbc.co.uk/bitesize/tags/zhgppg8/year-5-lessons/1> This website has a series of maths lessons for you to follow. Below are some of the key lessons we feel you should begin with. Click on the link below to access the lessons:
 - [Multistep problems](#)

History

Whilst we are all staying indoors and keeping safe we can still enjoy all of the wonderful historic sites and museums that the world has to offer through the internet. These are free for you and your families to enjoy, so why not gather around the computer and enjoy the 'freedom' of going wherever you want to! You can choose one we've found for you, or find a virtual tour of your own.

- The Tower of London <https://www.youvisit.com/tour/meadk>
- The City of Rome <https://www.youvisit.com/tour/rome>

- [Introduction to settlements](#) – This will link nicely to the geography side of our Vikings and Anglo Saxons topic.
- [Map Reading](#) – A useful skill which will help with our new geography topic on: The Power of Water.
- [The Solar System](#) – A basic recap of the Science we had previously been covering in school.

Ways of accessing the Bitesize Lessons

The **BBC Bitesize Daily programmes** will be available on any TV via the Red Button and online on any device on BBC iPlayer with teachers, experts and famous faces covering what each age group should be learning that day.

Bitesize Daily Lessons will offer a tailored learning experience for every age group between Years 1 and 6. They have provided a timetable of what they will be covering next week in English, Maths and a topic-themed lesson. Please use these at your leisure. The linked lessons above are those we feel are most beneficial for your child based on previous learning across this academic year.
