11th May 2020

Dear Class RJW,

I hope you are all staying safe and most importantly, having fun! It is still a strange time for us all but hopefully you have started to adjust to this 'new normal' and are making the most of it. Fingers crossed we will have a lot more of this lovely weather as well. It always makes me feel happier when the days are brighter and I can get out into the garden or go for long walks without getting wet! Please remember though to use sun lotion to protect yourself from the sun's UV rays.

This is the perfect time to try and learn a new skill. I know some of you have learnt to ride your bike without stabilisers and others have been learning how to cook. It is great and I can't wait to hear all about your new talents. There are so many life skills that you could try and master during this difficult time, such as how to wash clothes or maybe you could even have a go at sewing. Some of you have even made some amazing objects out of wood using real tools. Well done! (Safety is the main priority, please do not attempt any of these without adult supervision!)

We are still uploading 'weekly activity ideas' onto the school's website and on Purple Mash. This is just a list of some different activities that you could try daily with your child at home or during your daily walk. Each activity links to our topic of 'Growing'. As well as this, we are still uploading weekly '2Dos' that you can access on Purple Mash. If you need any support accessing Purple Mash, please contact the school and we will do our best to help. You will find the weekly activities and '2Dos' in these folders;

File Name	File Type	Teacher	Date/Time	Message
Weekly plan Reception 4th May	.pptx file	Reception Teacher	Fri, 1 May 2020 15:43	Hope you are all well, here are some more suggested activities for this week.
Weekly plan Reception 27th April	.pptx file	Reception Teacher	Mon, 27 Apr 2020 12:37	Another week of activities 😊
Activity timetable ideas	.docx file	Reception Teacher	Fri, 17 Apr 2020 19:00	Here are a few ideas of activities that you can do during the week.

Most importantly, spend quality time with the people in your household and try to stay positive. Hopefully it won't be long now until we can all see each other again.

Take care, stay safe!

See you all soon

What has Miss Waddington been up to?

Hi,

I hope you are all making lots of memories and having fun. I can't believe it has been 7 weeks since we were all at school together. I think about you all every day and love seeing all the exciting things that you have been doing. It was great to read your postcards, I hope you are continuing to stay in high spirits and learn new skills.

I have continued to go on daily walks although they are not as 'daily' as they used to be. However, I have tried extending my walks for longer and further. I am really enjoying the opportunity to explore my local neighbourhood again and appreciate the natural beauties that are on my doorstep.

I am continuing to stay in contact with family and friends through video calls, as I believe it is a great way to stay connected and helps me to stay sane!

Hope to see you all again soon and get to share our experiences.

Have fun and stay safe 😊
