11th May 2020

Dear Class RWG,

We hope you are all staying safe still and most importantly, having fun! It is still a strange time for us all but hopefully you have started to adjust to this 'new normal' and are making the most of it. Fingers crossed we will have a lot more of this lovely weather as well. It always makes everyone feel happier when the days are brighter and we can get out into the garden or go for long walks without getting wet! Please remember though to use sun lotion to protect yourself from the sun's UV rays.

This is the perfect time to try and learn a new skill. We know some of you have learnt to ride your bike without stabilisers and others have been learning how to cook. This is great and we can't wait to hear all about your new talents. There are so many life skills that you could try and master during this difficult time such as how to wash clothes or maybe you could even have a go at sewing. We have heard some of you have even made some amazing objects out of wood using real tools. Well done! (Safety is the main priority, please do not attempt any of these without adult supervision!).

We are still uploading 'weekly activity ideas' onto the school's website and on Purple Mash. This is just a list of some different activities that you could try daily with your child at home or during your daily walk. Each activity links to our topic of 'Growing'. As well as this, we are still uploading weekly '2Dos' that you can access on Purple Mash. If you need any support accessing Purple Mash, please contact the school and we will do our best to help. You will find the weekly activities and '2Dos' in these folders;

File Name	File Type	Author	Date/Time	Content
Weekly plan Reception 4th May	.pptx file	Reception Teacher	Fri, 1 May 2020 15:43	Hope you are all well, here are some more suggested activities for this week.
Weekly plan Reception 27th April	.pptx file	Reception Teacher	Mon, 27 Apr 2020 12:37	Another week of activities 😊
Activity timetable ideas	.docx file	Reception Teacher	Fri, 17 Apr 2020 19:00	Here are a few ideas of activities that you can do during the week.

Most importantly, spend quality time with the people in your household and try to stay positive. Hopefully it won't be long now until we can all see each other again.

Take care, stay safe!

See you all soon

What has Miss Gray been up to?

Hello, I hope you are all well! Fingers crossed it won't be too long before we hear that we can all begin to return to 'normal'.

I'd love to hear what you have been getting up to? Have you been learning new skills, helping around the house? Growing plants in the garden?

I have been learning a little more about nature. I treated myself to a wildlife camera, which I have always wanted. I have been setting it up in my garden each night and a special camera takes a video if anything moves nearby! It has been very exciting looking every morning to see if I have captured anything. So far I have collected images of the local cats & blackbirds! However, I did get a lovely clip of a squirrel running straight towards the camera! I am saving all these videos to show you when we get back. I'm really hoping I'll be lucky enough to see a hedgehog snuffling in my garden!

I have enjoyed using my binoculars to watch wildlife, but it has been funnier to watch the cows in the field near my house. They are proving to be a bit naughty as I have seen them chase dog walkers and even a big deer this morning!

*Have fun and stay safe
From Miss Gray*

What has Mrs Göksu been up to?

Hello everyone! I hope you are all OK and staying safe.

I can't believe how many weeks have gone by since we have not been altogether at school. I think about you all every day and wonder what you have been getting up to. I can't wait to hear all about it.

As you all know, Aleksander has been keeping me very busy and in these past two weeks he has been climbing. The only problem though is that he is climbing on everything! Luckily we have not had too many falls! He is definitely keeping me on my toes!

I have also been doing a bit of baking. I am no Mary Berry but I have to say my cupcakes were really delicious. I may try my hand at bread making next. Are you baking delicious treats at home?

I hope to see you all very soon.

*Take care
Mrs Göksu*
