11th May 2020

Dear Parents/Carers and children,

We hope this letter finds you well after the VE day celebrations. Did you have a social distancing street party?

We are very impressed with the amount of work being completed on Purple Mash and NumBots. Keep checking for new ones to do. We put new 2Dos each Monday to last until the following Monday. Please continue using these great resources. Don't forget the White Rose home learning website; this has the daily maths lessons we would be teaching in school with a short video teaching aid.

<https://whiterosemaths.com/homelearning/year-1/>

Here are some more ideas to keep your children occupied and learning:

- Choose a well-known nursery rhyme and change it into a story, song or rap, ask the main characters questions, act out the nursery rhyme etc. Repeat with another nursery rhyme.
- Write a simple sentence for your child eg The bird was in the tree. Play a game where you add one adjective each sentence. Eg The **blue** bird was in the tree. The blue bird was in the **tall** tree. The **small**, blue bird was in the tall tree. See how far you can go! You could even add adverbs! The small blue bird was in the tall tree singing **sweetly**.
- Make a plan of a room in your house. Draw each object as though you were looking at it from above.

- Make a treasure map and write clues for finding the treasure.
- Enjoy reading books and stories. Talk about the characters, setting and the beginning, middle and end of the story. Discuss how the characters felt. Ask your child true/false questions about the story. Change words in the story for other words with the same meaning (synonyms) For example if the story said the pirate was tired. Change the word tired to exhausted, shattered, weary, worn-out etc.

Thank you for all the letters and pictures that have been coming into school we really enjoy hearing from you and seeing what you have been doing at home. Please continue sending these in.

Stay safe and enjoy your home learning.

Hopefully, we will be back at school soon.

From Mrs Nellist and Miss Briggs
