11th May 2020

Dear Classes 3CH and 3MH,

We hope you are continuing to cope with this strange set of circumstances and have been making the most of some of the beautiful weather we have had. Hopefully you have been able to spend some time playing outdoors, relaxing in the sunshine and going on some lovely walks.

As we have said before, we are so impressed with all of you for being independent home learners. Your attitude to your work during this time of lockdown has been fantastic and we are so proud of all you are achieving. We have been busy sending out some additional work packs for those children who have requested it. If you would like one, you can get in touch with us via the Purple Mash blog or the school office and request an extra pack to be made up.

If you are struggling to find new websites to help you with your home learning, you can refer back to the previous letter we sent out. We will continue to set writing, spelling and maths work weekly on Purple Mash and MyMaths, so make sure you keep checking them! Don't forget about our blog- it has been a really lovely way of keeping in touch with you all and we love seeing your messages telling us what you have been up to. It is also a really good way of asking for help if you are struggling with any of your work!

Hopefully some of you have been able to access the BBC Bitesize website, as there are some excellent daily lessons on there. The children who have been into school completed a BBC live maths lesson last week with the players and mascots from Liverpool Football team, which they really enjoyed.

Don't forget to keep active. An alternative to Joe Wicks each day is to try out the Just Dance videos, which are great fun! You also need to make some time for playing sports outside and walking/running/riding your bike, as this is a really good, enjoyable way of staying fit and healthy.

Finally, make sure you all stay positive! For most of you, it has been a very long time since you have seen your friends and teachers and we know it can be really hard. We are both missing seeing your smiley faces in school every day. If you are missing us too, remember we are only one Purple Mash blog post away!

Keep up your wonderful attitudes to your home learning and remember you are making us proud every day!

Miss Hansen and Mr Hall
