27th November 2020

Dear Parent/Carer,

I have had a few questions about 'life after lockdown' whilst out in the playground and I am pleased to say that I have today received the updated guidance for schools on COVID measures after the lockdown period has ended.

After-school clubs will begin again on Monday, December 7th and the same children will continue to attend these clubs until January 29th. We will then start the Spring Term after-school clubs on February 1st and these will run until March 26th. Details of the Spring Term clubs will be sent out via School Ping in January.

We will continue with the other COVID-related routines as we have been doing, including the staggered start and finish times and asking parents/ carers to wear face masks in the playground. It may be worth mentioning that, although the weather is definitely getting colder, the windows will still stay open to keep all rooms well-ventilated which may make the building feel quite chilly at times. Please make sure that your child has a vest or a warm layer on under their uniform to keep them as warm as possible.

Thank you for your wonderful response to the Virtual Christmas Fair – we have a number of stalls open on the Low Ash Christmas Fair Facebook site and I gather that Santa is busy planning his video engagements in his diary. Please do buy raffle tickets via Parent Pay for the beautiful prizes that are on offer as there are some great options available. Thank you to Morrison's for their donation of two hampers this morning, to the Co-op for their hamper last week and to the staff for their various donations towards the toy, luxury food, well-being and chocolate hampers. Thank you also to the various stall holders who have donated numerous prizes which look fabulous. Your chance of winning a prize is increasing daily!

Thank you as always for your continued support in everything we do.

Yours sincerely,

Fiona Meer
Co-Headteacher

Co-Headteachers
Mrs B. Medhurst & Mrs F. Meer

Our school is committed to safeguarding and promoting the wellbeing of all children and expects staff and volunteers to share this commitment.
