A letter from Mrs Horne and Mrs Nellist

Hello Everyone,

We are so sorry that school is closed. We couldn't believe the news when we heard it. We had so many exciting things planned for you to do this half term, but don't worry...we will share them all with you online and you can have a go at them at home!

Each week, we will post a topic web on the Reception page of the school website and it will also be sent to your parents/carers by School Ping. This is for you to work through and do as many activities as you can. You will learn lots of fantastic things even though you are not with us at school.

Our new topic is all about space. We are really excited and can't wait to get busy learning with you.

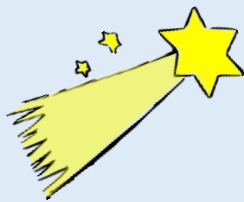

This is our special email address so your grown-ups can send in pictures and videos of your work and we can see all the wonderful things you do at home.

remotelearningreception@lowash.bradford.sch.uk

We will reply to the emails which your adults send to us as soon as we can.

Take care for now, work hard, be the best children we know you can be for your grown-ups and we will hopefully see you all soon.

Love Mrs Horne & Mrs Nellist

Co-Headteachers
Fiona Meer
Beth Medhurst
