## Year 1 Parent/Carer Newsletter – Summer 2

Dear Parent/Carer,

We hope you enjoyed a restful break over the Spring Bank Holiday and managed to enjoy some well-earned family time. It is hard to believe that we are in the final half term of Year 1 so let's make it fun and memorable.

This half term in Geography we will be learning all about London. This will be supported by our English text *Katie in London* by James Mayhew. We will explore the city, its history and special places to visit.

In Science, we will continue to learn about plants and what grows in Wrose. Each class will visit Buck Wood to investigate the local flora and fauna and will identify different trees and plants. We will draw, name and talk about all that we see.

Our Healthy School's week will begin on the 12<sup>th</sup> July. Many activities are planned to promote the importance of a healthy lifestyle. Sports day will also take place during this week and will be an excellent opportunity for children to take part in races and events, the skills for which will have been taught during our P.E lessons.

In Year 1 we are particularly proud of the progress that the children have made in reading this year. They are using their phonic understanding well to blend words, are recognising many words on sight and are fast developing their fluency and understanding of the text. Please continue to read with your child over the summer - it really does make a difference. Your child will be allocated more Reading Planet books over the summer for them to access online. Remember, you need to log in to My Rising Stars and enter your child's username and password.

If you have any questions regarding your child's learning this half term, please feel free to approach any member of the Year 1 team.

Thank you for your continued support.

Mrs Robinson, Miss Waddington, Mrs Rendell & Miss Gray

Co-Headteachers  
Beth Medhurst  
Fiona Meer
