Year 2 Parent/Carer Newsletter – Summer 2

Dear Parent/Carer,

We hope you have all had a nice half term break and enjoyed the sunshine. This is our final half term in Year 2 and we are so proud of the resilience and determination the children have shown throughout this year. This half term is thrilling as we start to prepare the children for Year 3 but equally it is sad as we will miss the children greatly. During this half term the children will find out who their new teacher will be for Year 3.

In Year 2, we have some lovely topics to learn about over the next few weeks. In Learning Challenge, we will be doing a Geography unit on Australia. In Science we are looking at the animals including humans. In this unit, we will look at how to live a healthy lifestyle and what animals and humans need to survive. This will also link into our Healthy School's week. During this week we have a range of activities planned to keep active as well as sports day.

By the end of this week, your child should have brought home their homework book. We have stuck in 4 homework challenges and each week's spellings to be learnt. **Please return the completed homework book by Thursday 15th July.** It is also important that you listen to your child read at least 3 times a week as this will aid them in practising and applying the skills they are learning in class - the more they practise, the more they can secure this fundamental skill!

Please remember that Year 2 have P.E on Monday and Tuesday. Your child should come to school in their P.E kit on these days. Please ensure your child is dressed in suitable clothes for that day's weather as P.E. lessons will most likely be outside. On sunny days you might want to make sure your child is wearing sun cream - this will need to be applied before school. Please also ensure your child has a sun hat and a water bottle in school.

Thank you for your continued support. If you have any questions, please see a member of the Year 2 teaching team.
