Year 3 Parent/Carer Newsletter – Summer 2

Dear Parent/Carer,

We hope you have had a lovely break and are ready for our last half term of Year 3. This final term is an exciting one as we prepare the children for Year 4 but equally it is sad as we have become very attached to the children and will miss them enormously. We are extremely proud of the hard work and effort they have applied to all their learning and how they have managed to cope and adapt in these continuing strange and uncertain times. This half term the children will find out who their new teacher will be in Year 4 and they will have the opportunity to go and meet them during our 'transition day'.

In Science this half term we will continue with the topic **Light and Shadow**. We will hope for lots of sunny days so we can see shadows in the playground! We will also make our own sundial! We will also continue in **Learning Challenge** with our topic, **Dales on your Doorstep**. We will continue to learn about cities, towns and villages and the similarities and differences between them. We will also learn about the human and physical features of each type of settlement.

P.E. – please continue to send your child to school in their P.E kits on a Wednesday and a Thursday. We are hoping that we can also arrange some form of 'Sports Day' this year and also a 'Healthy School's Week'.

Music – This will be the last half term Year 3 have with Mr. Griffiths, our external music specialist. They have thoroughly enjoyed working with him and engaging with his quality music lessons.

Let's hope that this last term also brings the sun! When this hopefully happens, please ensure your child has **sun lotion applied before school**, they bring a **sun hat with their name** in and also a **water bottle**.

Thank you for your continued support,

Mr Brook, Miss Briggs and the rest of the Year 3 team

Co-Headteachers
Beth Medhurst
Fiona Meer
