### Thank you

It has been an incredibly challenging year for everyone. but we can honestly say that the Low Ash children and staff have strived to continue to be the 'best that they can be.'

Thank you for all of your support in everything that we do from fundraising the virtual Christmas Fair and the fantastic Big Birthday Bash to supporting your child at home with remote learning and the wonderful feedback you have given on your child's school report.

### Walk/bike/scoot to school initiative

Thank you for your continued support in enabling the children to have a healthy start at the beginning and end of the day. We are delighted to have the new shelter built to store the children's bikes and scooters.

### Clubs

We sincerely hope that clubs will start again in September with a larger capacity in each club. We will send out more details in the first few days when we return with the aim of starting the clubs from Monday 13<sup>th</sup> September.

### Expansion work

We have agreed with Bradford Council that we will delay the final stage of the re-build until summer 2022. This will involve building work at the front of the school, work on the roof and a temporary entrance.

### Supporting your children reminder

We are very aware that the COVID pandemic is taking its toll on the mental health and wellbeing of children and adults alike. The Young Minds website below has lots of advice on how you can support your child's mental health during this difficult time.

### Goodbye to Year 6

Sadly, we say goodbye to a super set of individuals who have contributed so much to the success of Low Ash. Well done to the whole of Year 6 who have been excellent in the way they embraced their Activity Week as well as the fabulous production which we recorded for their parents/carers and saved on their Google Classroom page. We wish them all the very best as they move on to their various secondary schools.

### Have a lovely summer break

Wherever you are over the summer, we hope you all have a restful holiday and manage to have some fun.

As ever, your continued support and help in making Low Ash an even better school is much appreciated - thank you.

**School re-opens to children on Monday 6<sup>th</sup> September.**
