

Autumn Term 2 2021

Changes

What we are learning this half term...

We will be focusing our learning around 'changes', starting off with looking at the changes that occur in weather as we move through autumn into winter. We will look at what happens to leaves -the change in colour etc, through exploring Buck Wood. By looking at light and dark, we will think about the routines we have during the day and night. Another change we will be thinking about is how colour can be mixed to create different colours. Our last aspect before we begin our Christmas celebrations will be thinking about all the changes 'we' go through and how our 'family' changes over time.

Class trip

We will be having a trip to Buck Wood on Monday 8th (in the afternoon) and Tuesday 9th (in the morning) November. This is to look at the changes that occur to our local environment.

Please can you make sure that your child has a pair of wellingtons on the relevant day.

Core Story

Our core story is 'Can't you sleep Little Bear?'. We will shortly be sending this home for it to be shared at your leisure. There will also be some activities for you to do with your child.

Maths

It is important for children to have a good understanding of maths and in Nursery, this half term, we will be focusing on:-

Showing finger numbers up to 5 1:1 correspondence

Creating repeating patterns Investigating circles

Comparing objects relating to weight

Termly Challenge

This term's challenge is to... 'Put on and take off your own shoes'

Cold Weather

Now we are in November, the weather is getting colder. Please can all hats, gloves, scarves be labelled with your child's name.

Baking

This half term we are making pizza.

Library

Don't forget to bring your library book on a Wednesday.

Christmas

The last two weeks of this term will be dedicated to Christmas. During this time we will be having an EYFS Nativity and also a 'stay and play' Christmas workshop for parents. This will be a good time for you to do lots of Christmas crafts with your child and have a look at their learning journey. We will confirm both dates with you in due course.
