5th November 2021

Dear Parent/Carer,

We hope that you and your family enjoyed the half-term break. The Year 6 children have had a very successful first half-term where they quickly settled into the routines and rose to the challenges set for them. Below, and attached with this newsletter, you will find some useful information about the new half-term.

Peat Rigg

Thank you to the parents who joined us for the information evening - it was lovely to be able to meet in person for the first time in ages! If you were unable to join us, we have put the slides and a link to a video on the Y6 page of our school website (or click here <https://lowash.bradford.sch.uk/year-six/>).

We have also spent some time showing the children the video and talking to them about the experience which has hopefully enthused them. We understand a number of parents and children are reticent about Peat Rigg this year in light of it being the first residential for the children and also the cost. Please get in touch with any worries that you have and we will do our best to reassure you. To allow you more time to discuss the trip with your child and reach a decision, we have extended the deadline to pay your deposit to Friday 3rd December.

Murton Park

6LH will be visiting Murton Park using the school minibuses on Tuesday 23rd November and 6TH on Wednesday 24th November. More details will follow in the coming weeks but, in order to immerse the children in the experience, we ask that the children come dressed as evacuees. There is no need to buy special costumes unless you want to. If you haven't already paid, please do so promptly so that this trip can go ahead.

Homework

Please support your child to complete their homework and encourage independence and resilience to equip them for their transition to secondary education. We were really impressed with the quality and effort that has gone into the homework challenges last half-term which were an absolute delight to read!

Home – School Communication

We are looking forward to 'meeting' many of you at the parent consultation evenings. If you ever need to contact us, please remember the homework diaries are a great way to send us messages or call the school office and we will get back to you as soon as we can.

Kind regards

Tom Handley, Lucy Hooton & Helena Göksu – Year 6 Teachers
