

Year 6 Parent/Carer Newsletter - Autumn Half Term 2

The aim of our new curriculum is to link much of the work around a theme, which makes learning more exciting and purposeful.

Science

Our Science focus will be on Electricity, including making electrical circuits.

Music

We will be using technology to remaster and re-mix contemporary music.

French

We will continue to be looking at the vocabulary linked to holding a conversation when visiting different shops around town.

English

After finishing our flashback stories on The Piano, we will move onto setting descriptions based on the Blitz and our class reader: 'Letters from the Lighthouse'. We will also create a survival guide as a soldier on the front line.

Religious Education

We are learning about what Christians believe about Jesus' death and resurrection.

This half term our topic continues:
How significant was the role of Britain's allies in changing the course of WWII?

Computing

We will be learning all about staying safe on the internet. We will also be completing a unit of work based on the use of spreadsheets.

Mathematics

We will concentrate on division and fractions. We will also ensure that children's recall of x and ÷ facts continues to improve.

History

We will study World War II, in particular: the events that led to the outbreak of WWII and the Battle of Britain and D-Day. We will look at a variety of historical sources and draw our own conclusions.

PSHE

We are learning about managing risk and staying safe out and about.
