

Do you live in the Bolton Woods area of Bradford?

Would you be interested in taking part in online virtual workshops that could help support you into employment?

Bolton Woods Virtual Learning Give it a Go Programme

Learn new skills, meet new people in your community and take part in fun engaging activities

We're looking at courses such as;
CV Writing Skills/Job Applications
Interview Skills
Job search

to name a few...

These will be short courses delivered by professional tutors via zoom, so you don't even have to leave the house.

You'll need Wi-Fi and either a laptop, computer, mobile phone or tablet and a willingness to learn!

All courses will be **FREE** to attend and are open to anyone living in the Bolton Woods area of Bradford. Dates for the courses are to be confirmed later in the year.

This is a new 6 month funded pilot project. We already have some good ideas about which workshops/activities will run, however we would really like to hear your views on what you would be interested in, so please do get in touch and tell us what you think!
