12th November

Dear Parents/Carers,

We've had another busy week in school – as ever – with the book fair, the launch of the Library Morning Club, and the Parent Consultation evenings, to name but a few! We have had a few Covid cases in different year groups across school, so thank you for your support in carrying out tests and keeping your child off if they are displaying symptoms.

Thank you

Thank you for your support with the book fair, which was the busiest we have ever known it. We received a massive £400 in commission for school to spend on books, which teachers and children alike very much enjoyed spending. Thank you for your help in raising extra money to spend on the children in this way.

Parent Consultation Evenings

Thank you for making the time to talk to the teachers this week about how your child is doing in school. Hopefully, you will have found these conversations informative and useful. If you didn't manage to make an appointment this time, please do ring school to see if you can have a phone conversation at some point soon with your child's teacher.

Times Table Rock Stars

The Times Table Rock Stars competition in KS2 has gone well and the children have clearly worked hard to play their part towards it. We will let you know more next week when we have the official results for classes and individuals.

Children in Need

Please remember that we will be celebrating Children in Need on Friday 19th November when children will be invited to come to school in non-uniform. We ask that any donations for this non-uniform day be made directly to Children in Need, either via the BBC Children in Need 2021 payment item on ParentPay, online or via an official collecting box.

Parking

We have had more complaints this week from local residents about inconsiderate parking by our parents, as well as reports of dangerous and aggressive driving when parking in the areas around school. Please do remember that parents are able to park in the car park in Highcroft Youth Centre or the Bold Privateer.

Congratulations

A big well done to Freddy, Kianna and Phoebe who have won this half term's Kindness Awards which were awarded earlier this week. A big thank you also to Mrs Anderson who bought the trophies and medals for school.

Cross Country Competition

We are pleased and proud to report that a variety of children represented school recently in the Bradford School Games Cross Country Competition. We have teams in a massive 7 out of 8 categories through to the Bradford Finals, which will take place in January 2022. Well done to all involved.

Important Upcoming Dates

Children in Need – Friday 19th November

Reception Maths Workshop – Thursday 25th November (5.00-6.00)

Early Years Wriggly Nativity – Monday 13th December (2.00) & Tuesday 14th December (9.30) – further details to follow
