8<sup>th</sup> October 2021

Dear Parents/Carers,

As always, it's been a busy and exciting week in school with lots going on in all areas of the school. It seems incredible that time is going so fast and that there are now only two weeks before the half term holiday is upon us.

### Morrisons Good to Grow

We are delighted that our school community has now started collecting and donating the Good to Grow vouchers for school. We now have 1,236 tokens available, but would ideally like as many as we can so that we can buy gardening equipment for Low Ash at the end of the collection period. The equipment on offer really is fantastic and ranges from seeds to trowels and wheelbarrows. If you shop at Morrisons, please do download the Morrisons app and nominate Low Ash as your chosen school for the Good to Grow project. We will keep you posted with the totals each week. The collection period finishes on October 24<sup>th</sup> so it's quite a short time scale. Thank you for your help with this.

### Careers Week 18<sup>th</sup> – 22<sup>nd</sup> October

As you already know, we are planning our Careers Week for the last week of this half term. Thank you to all those parents who have offered to help us with this. If you haven't yet made contact, there is still time as the deadline for this is the end of today! Thank you to Mrs Nellist who is masterminding this event.

### Walk to School

Thank you for your help and support in letting your child walk, scoot or cycle to school as part of the WOW Challenge. Each class now has a WOW monitor as the ambassador for the class and I am sure that this re-launch of this project will result in much healthy competition between classes for the winners each week!

### Breakfast Club

We have had occasions recently where children have turned up for Breakfast Club unexpectedly. Please remember that children cannot attend Breakfast Club unless they have a place for that day. It is extremely popular, and we have a waiting list, so we can't simply take children in if there is no space for them. On a similar note, the gate is only open for the children in Breakfast Club to come into school and there is no access into the playground until the gate opens for the main school at 8.35am at the earliest ready for the start of school at 8.45am.

### Phonics evening – Reception Parents

Thank you to all the parents of Reception children who attended the Phonics evening last night. It was lovely to have you in school, most of you for the first time. We hope that you found it interesting and informative. The Powerpoint which was used has been sent out in a School Ping for those who were unable to attend but also for everyone to refer to if needed in the future.

### New parents for September 2022

We are holding an open evening for prospective parents on Wednesday 13<sup>th</sup> October. Tours will take place in staggered time slots (every 15 minutes) from 4pm-5.30pm. If you know anyone who may want to send their child to Low Ash and would like to visit the school, please let them know. To book on a particular tour, people should phone the school office on 01274 582927.

### Parent Consultation Evenings

As mentioned last week, parent/carer consultations will take place (online) on Wednesday 10<sup>th</sup> and Thursday 11<sup>th</sup> November. Please keep this date clear in your diary. Further information will be sent out early next week explaining how you can book your appointments.

Once again, thank you for your support this week. We hope you have a lovely weekend.

Yours sincerely,

Fiona Meer and Beth Medhurst
