Year 2
Parent/Carer Newsletter – Summer 1

Dear Parent/Carer,

We hope you have all had a nice and relaxing Easter holiday. We are very excited to welcome the children back for what will be a fun-filled summer term in Year 2!

This half term in Year 2, we have some lovely topics to learn about, including, looking at the UK's seaside towns and what makes them so popular with visitors. We will be learning all about the natural features found on the coast as well as looking at some of the man-made things unique to coastal areas (such as piers and lighthouses).

By the end of this week, your child should have brought home their homework book. We have stuck in the whole half term's worth of homework to try and reduce the number of things being sent home each week. Each week's homework will consist of weekly spellings to learn, an English activity and a Maths activity. **Please return the completed homework book by Thursday 20th May.** You will need to keep hold of the homework book until then to ensure your child knows which spelling they are learning each week so they are prepared for their spelling test, which will take place on the Friday of each week.

Please remember that Year 2 have P.E on Monday and Tuesday. Your child should come to school in their P.E kit on these days. As warmer weather approaches, please ensure your child is dressed in suitable clothes for that day's weather as P.E lessons may take place outside. Following on from this, as the weather hopefully improves, you might want to make sure your child is wearing sun cream - this will need to be applied before school. Please also ensure your child has a sun hat and a water bottle in school on these sunny days.

Thank you for your continued support. If you have any questions please see a member of the Year 2 teaching team.
