

Year 4 Spring Half Term 1 Parents' Leaflet

Mathematics

We will:

- Learn how to divide by multiples of 10 and 100.
- Learn how to use the bus stop method.
- Find fractions of numbers and amounts.
- Learn how to calculate the area of a shape.

French

We will:

- Recap greetings.
- Learn numbers to 50.
- Learn the French words for school objects.

Religious Education

Places of worship.

Our value this half term is Law.

Science—Electricity

We will be learning how electricity works and looking at alternative sources of energy. We will also be making circuits and looking at insulators and conductors.

DT/ Art

Creative Carousel will cover cooking, clay making and drama.

English Work

Reading: The children will continue reading a range of fiction, non-fiction and poem texts, linking to our topic of The Egyptians where possible. They will continue to develop their vocabulary and inference skills.

English: We will be looking at the story of the Egyptian Cinderella and this will lead into us writing our own fairy tale. We will also read the play of Antony and Cleopatra and then learn about how to write our own play script version of this tale.

This half term our topic is: The Egyptians

History:: The achievements of an ancient civilisation.

Geography link: Locating Egypt, including looking at the River Nile and the climate of Egypt.

PE

4DB will be going swimming every Wednesday and 4SB will be working with Mr Renardson practising tennis skills.
This half term we will also be doing dance and orienteering.

PSHE

Identity, society and equality
How can we look after our money?

Computing

We will be using the app 'Band Garage' to help us compose, record and edit our own music.
