

Year 6 Parent/Carer Newsletter - Autumn Half Term 2

The aim of our new curriculum is to link much of the work around a theme, which makes learning more exciting and purposeful.

Science

Our Science focus will be on Electricity, including making electrical circuits.

French

We will continue to be looking at the vocabulary linked to holding a conversation when visiting different shops around town.

English

After finishing our flashback stories on The Piano, we will move onto letter writing based on our class reader: 'Letters from the Lighthouse'. We will also write newspaper reports and study some war poetry.

Religious Education

We will continue to focus on why there are different beliefs about God.

This half term our topic continues:
Why was World War II a significant turning point in British history?

Computing

We will be learning all about staying safe on the internet. We will also be completing a unit of work based on the use of spreadsheets.

Mathematics

In sets, we will concentrate on fractions, decimals, percentages and shape, data and measures. We will also ensure that children's recall of \times and \div facts continues to improve.

PSHE

The children will be focusing on human rights and equality. We will also continue to focus on mental health and emotional wellbeing.

Creative Carousel

Gardening
Cooking—Dig for victory WWII
Textiles - Make do and mend

Learning Challenge

We will continue to study World War II but this time from other perspectives. Also we will look at the social changes and migration which occurred as a result of WWII, as well as the main turning points during the war.

PE

Indoor athletics & basketball
