

Key Stage Two Homework

Each half term children will be given a choice of Homework Challenges to complete. They will fall into 4 categories, these being:

Physical and Well - being

Creative

Reading

Writing

Pupils will need to pick one challenge from each category, meaning that they will complete 4 challenges in total.

In addition to their Homework Challenges, children will also be given:

- weekly spellings to learn. These will be the spellings that they learn in class. They will be tested on these spellings each week.
- MY Maths – online maths homework set weekly
- Half termly Maths KIRFS to learn (Key instant recall facts)
- Reading books. We expect children to read at least 3 times a week.
- In Year 6, as children work towards their SATs (end of Key Stage 2 tests), further homework will be set in the form of revision.

We encourage children to have fun with their homework, ensuring that it is presented neatly, in an organised way and with care. We will celebrate good examples of homework each half term.
