

# Year 1 Summer 1 2022 Parents'/Carers' Leaflet

## Science

Plants Topic– identify and name common and wild plants including deciduous and evergreen trees.

We will learn to identify and describe the structure of plants and use this knowledge to identify them.

## Geography

This half term we will be learning about what makes a good map using and following directional language.

We will also be learning about compass points.

## English

We will be reading the book 'Tattybogle' by Sandra Horn .

The children will continue to learn basic sentence structure, focusing on capital letters, full stops and correct spacing.

We will be using colourful semantics to help the children build their sentences.

We will be encouraging the use of interesting adjectives to improve our writing as well as conjunctions such as '**and**' & '**because**' to develop our thinking.

## RE

We will be listening to and recounting religious stories.

We will be learning to recognise religious objects and explain why they are special.

Look at our curriculum map to see what exciting things we will be learning this half term.

## PE

- Ball games
- Maypole
- Athletics

## Mathematics

- ◆ Multiplication & Division, making arrays/doubles/equal groups—grouping and sharing.
- ◆ Number bonds– To know these off by heart to 10 & 20
- ◆ Writing numbers in letter form to 20.
- ◆ Counting in 2s, 5s and 10s when counting larger amounts.

## Experiences

- Exploring the school gardens.
- Parent/carers fun afternoon.
- Trip to Buck Woods.

## Creative Carousel

This term we will be focusing on the local artist David Hockney.

We will be looking at and focusing on his works depicting the hills, fields and valleys around Yorkshire.

We will be using various mixed media.

## PSHE

- Keeping ourselves safe.
- Discussing people who help us and people we trust.

## Computing

- Using Multimedia.
- Coding— Learning what coding means and to understand the computer needs clear instructions to make it work.
