

## Year 2 Summer 1 Parents'/Carers' Leaflet

The aim of our curriculum is to link much of the work around a theme,  
which makes learning more exciting

### Geography

This half term we are learning map skills. We will be looking at a variety of different maps and learning about the key features of maps. We will also be learning how to draw our own map of Low Ash and ensuring that we have used the correct features too.

### Science

This half term we will be learning all about living things and their habitats.

### Creative Carousel

In Creative Carousel we are creating our own winding mechanism toy based on The Faraway Tree. If you have any empty cereal boxes, shoe boxes or kitchen/ toilet roll tubes, please could you send them into school for the children to use in their design.

### English

This half term we are reading The Faraway Tree by Enid Blyton. We will be writing a setting description of our own magical land.

This half term our topic is:  
**Spatial Sense**

### Mathematics

We will be looking at the following:

#### Fractions

We will be consolidating our understanding of fractions which include: unit-fractions, non-unit fractions and fractions of amounts.

#### Statistics

We will be learning how to read a variety of charts and graphs including tally charts and pictograms.

#### Measure

We will be practising how to read units of measure.

### RE

We will be looking at the teachings and life of Jesus. We will look at the miracles that Jesus performed.

### PHSE

Our topic this half term focuses on mental health and emotional wellbeing including looking at friendships and the qualities of a good friend.

### PE

PE will continue to be on a Monday and Tuesday. Please remember to come to school in your PE kit on these days. Some days it may be outside so dress accordingly for the weather. We are focusing on ball skills.
